OFFICIALLY HITCHED

A WEDDING CEREMONY
THAT FITS YOU PERFECTLY!

Officiant Coaching

There is nothing like having someone who knows you officiate your wedding.

Without experience and guidance, the ceremony may not run smoothly or meet your expectations!

We turn inexperienced friends or family members into professional-quality wedding officiants!

Get the best of both worlds--professional and intimacy--with officiant coaching!

Three Aspects of Weddings Covered in Coaching Programs

**What You Do:
Wedding
Rituals**

(Example: The Processional)

**What You Say:
Wedding
Ceremony
Script**

**How You Do It:
Wedding
Stagecraft**

(Example: The Ring Exchange)

Available
nationwide and
year round.

Officiant Coaching

Choose from 3 great options
designed to meet the needs of every officiant.

Three's Company

I work with the coachee and the couple to guide the trio in creating a customized wedding ceremony and train the coachee in wedding stagecraft.

Great for a coachee who wants to be creative and knowledgeable.

Great for couples who want to be involved in ceremony planning.

One-on-One

I work with the coachee to customize a wedding script for the couple and train the coachee in wedding stagecraft.

Great for coachees who want more direction from the coach.

Great for couples who want a simple wedding ceremony.

Light Touch

I work with the coachee to edit a script they have prepared and provide training in wedding stagecraft.

Great for coachees who have some wedding officiating or similar experience.

Great for couples who want a simple ceremony or have already created a draft script.
