ORIGINS

It's 2015. My good friends Melissa and Dan are getting married. I'm so pumped to hear the news! I'm beyond flattered when they ask if I'll officiate their wedding. I said, "Of course! But I have no idea what I'm doing..."

Several years and hundreds of weddings later, Officially Hitched provides wedding officiating services throughout the Bay Area.

OUR GOAL & BELIEFS

Our goal is to provide a ceremony that is authentic to your couple-ship. We believe there is no "right" or "wrong" way to get married. We also think weddings are occasions for joy and celebration--not lectures or sermons.

We believe that everyone has the right to marry who they want, when they want, in the way they want.

If you want a ceremony that fits you perfectly, collaborate with us!
